<sup>\*(</sup>U) The term "fu" refers to an urban-dominated prefecture, of which colly Osaka and Kyoto remain. Metropolitan Tokyo is an exception, designated Tokyo-to.

<sup>\*\*\*\*(</sup>U) The intelligence organization within a legal establishment is referred to as a "residency" and its chief as the "resident."

<sup>\*\*(</sup>U) In intelligence parlance, such staff officers are generally referred to as "legals" in contrast to intelligence operatives working in deep cover with no overt ties to the sending country who are "illegals."

<sup>\*\*\*(</sup>U) The KGB (Committee for State Security) is the civilian service and the GRU (Chief Intelligence Directorate) the military intelligence agency.
